YOUR PRESIDENT SPEAKS

With the approaching Holiday Season signalling the close of another year, we have occasion to reflect upon the accomplishments of the Saskatchewan Agricultural Graduates Association.

Over the years, the S.A.G.A. has established itself as a most active and enthusiastic alumni group. Each year, our participation in the Farm and Home Week program at the University of Saskatchewan has helped to keep our members up-to-date on recent developments in agriculture. Equally as important, our organization has attended to our social needs in providing the opportunity to come and meet old classmates at the many social functions held just prior to and during Farm & Home Week. This is also a time when our members can renew acquaintances with members of the Faculty, and to meet recent graduates and newer members of the Faculty.

The association is also interested in carrying our projects which will suitably honor Faculty and others who have made a contribution to the University of Saskatchewan. Of special note in this connection have been the naming of the John Mitchell Building and Kirk Hall, with the erection of plaques in these two buildings.

These accomplishments do not just happen. They are the result of interest and cooperation of our graduates from both the College and School of Agriculture. They are made possible through the continued support of all Agros by payment of the annual membership fee, and through member participation to make our Newsletters and annual Reunions a success.

Our 1965 Reunion bears some special significance. In addition to honoring our twenty year graduates, and reunions of ten, thirty and forty year graduates, we are celebrating the Diamond Jubilee of the Province of Saskatchewan. In so doing, we are proud to be honoring Spike Smith and his class of 1915, since this is the first class to graduate in Agriculture from our University fifty years ago. The complete program is given elsewhere in this issue, and I urge you to make note of it, and to come and enjoy yourself with your fellow Agros at Farm & Home Week, 1965.

In the meantime, I wish to extend, on behalf of our S.A.G.A. executive our very best wishes to you and your family during the Christmas Season, and throughout the coming year. M. Riddell.

AG GRAD SMOKER - The annual smoker will be held on Saturday, January 9th. The location has been changed this year and the new location is the Exhibition Stadium Curling Rink. Since this is also the headquarters for the bonspiel, it will be more convenient for the curlers especially those in the late draw. Ken Reid, smoker chairman, promises an even better smoker in these new surroundings.

SUNDAY AFTERNOON TEA - The tea for the beginning of Farm & Home Week will be held in the Upper Lounge of the Memorial Union Building from 3:00 to 5:00 P.M., Sunday, January 10th. Bert and Ben Blacklock, convenors, along with Fred and Norma Fulton, their assistants, are looking forward to seeing you all at that time. They tell me that this is not just a "Pink Tea" for the ladies, but is for the men, too. See you there.

DR. HEDLEY AULD - will be attending Farm Week. Dr. Auld was the first director of Extension Services in 1910. He later served as Deputy Minister for Agriculture in Saskatchewan from 1916-46, at which time he became Chancellor of the University of Saskatchewan. He served as Chancellor until 1962.

1945 CLASS REUNION - Herb Clark, Chairman, All graduates of the degree course in Agriculture are being invited to their 2-year reunion at the time of the 1965 Ag. Grad Lecture series and annual meeting. Twelve students graduated with their B.S.A. in the spring of 1945; of this number only six were in the class that started in the fall of 1941. Because we are so few in numbers we need everybody in attendance at Saskatoon for our reunion if we are going to make our presence seen and heard.

It will probably come as a bit of a shock to most of you that 20 years have passed since graduation. Of course, you haven't aged at all, but come on out and see how old the rest of the fellows are looking. Peder Myhr of Swift Current and Herb Clark of Saskatoon are making plans for a bang-up reunion. Five of the group have definitely indicated they will attend. For the rest of you, please let Peder Myhr know as soon as possible whether or not you will be able to come. The 1945 Class has really spread out and are living in every corner of the North American continent. Five of this group went on and took their Ph.D. which is a pretty good record, percentage wise.

1912 CLASS REUNION - Plans for the Golden Anniversary of the 1912-15 class are now almost complete. Spike Smith '15, Class Reunion Chairman, reports that a large turnout is expected. Spike has received word that the following class members will definitely be here for the festivities:

Mr. & Mrs. Geo. Bushell	Mr. & Mrs. H. S. Vigfuson
Mr. & Mrs. L. A. Bryan	Mr. and Mrs. Tom Rowles
Mr. & Mrs. J. D. MacFarlane	John Strain
Mr. & Mrs. Pontus Wickland	Tom Hampson
Mr. & Mrs. R. J. Smith	Tom Bryden
Mr. & Mrs. H. Zinkham	R. W. Broadfoot
Mr. & Mrs. Murray Bunnell	Ralph Stueck
Mr. & Mrs. E. C. Banbury	Spike Smith

To make this reunion complete the Honorable John Bracken and Mrs. Bracken will be present. Mr. Bracken was on the first faculty of the College of Agriculture in 1909. He taught Field Husbandry and in addition headed that Department to advocating "black summerfallow." Mr. Bracken was a star defenseman on the 1912-13 Interfaculty Championship hockey team. He went on from Saskatchewan to become Premier of Manitoba and later to be national leader of the Progressive Conservative party in Canada.

1945 SCHOOL REUNION - There were 39 graduates from this class. Many have indicated so far that they will be attending this reunion.

HERE AND THERE WITH AGRO GRADS - News from Ag. Grads at University of Manitoba: Art Wood of Ag. Economics spent a month last summer at conferences in Montreal, Fredericton (A.I.C.) and Charlottetown. Art also attended the executive and council meetings of the Canadian Association of University teachers in Montreal in November and plans to visit the Saskatchewan campus and attend the A.I.C. conference in Vancouver next summer. Charlie Jenkins, Research Professor, Department of Plant Science was guest of the Rockefeller Foundation for two months last winter as Special Temporary Scientific Aide in the wheat program in Mexico. Ken Clark, '54, Associate Professor Forage Crops, has returned from Australia, Jack Truscott, '49, is Associate Director of Glenlea Research Station and Bob Hedlin, '45, of Soil Science is looking forward to returning to the Ag. Grad Reunion.

This year, 1964-65, Phil Thair, '42, was elected President of the Canadian Agricultural Economics Society, and in November attended an Executive meeting in Ottawa and also took in the annual Federal-Provincial Agricultural Outlook Conference. The whole thing reminded Phil of Farm Week in Saskatoon -- a continual round of meetings, social functions, and visits with old friends. Among those he saw were: Mel Andral '44, Walt Anderson '42, Jake Brown '51, Jim Clarke '48, Walden Ewert '39, Harold Horner '38, Lorne Hurd '49, Stan Medland '49, Frank Payne '47, L. C. Rayner '50, Bill Van Vliet '39. While in Ottawa Phil was a guest at the home of Ralph (& Irene) Stutt '33, and had a splendid time. Ralph is Chief of the Resource Development Section, Economics Branch, Canada Department of Agriculture. Other University of Saskatchewan graduates who are presidents of organizations affili-

ated with the A.I.C. are: Oliver Symes, '48, Canadian Society of Agricultural Engineering, Bill White '32, Canadian Society of Agronomy and Lorne Paul, B.A.'30, Canadian Society of Rural Extension.

R.A. Stutt, '33, reports from Ottawa: Dr. Lin J. Bolton arrived in Ottawa on November 20 to assume new duties as Research Co-ordinator (Forage Crops) in the Research Branch, Canada Department of Agriculture. The usual large numbers of Sask. Agro Grads were in attendance at the Federal-Provincial Agricultural Outlook conference at Ottawa, November 21, 23 and 24. Bob Savage '41, transferred to Ottawa in August to the Organization and Personnel Section of the Department of Agriculture. Bob was Superintendent of the Experimental Station at Scott. Reg. C. Gilstorf '52, transferred recently from the Census Division, D.B.S., to the Electrical and Electronics Branch, Department of Industry, Ottawa. E.E.R. King '58, transferred October 1 to the head office, Economics Branch, CDA., Ottawa, from Edmonton regional office. Grove A. Lane '54, is now with the Prices Division, D.B.S., Ottawa. Gordon Haase, '44, transferred from the Economics Branch, CDA to the Area Development Agency, Department of Industry at the end of October.

Gus Peesker '61 is now a well established resident of Kelowna, B.C., an "expert" on the use of agricultural chemicals in the fruit orchards of B.C. Jack McCloy has joined Chipman Chemicals Ltd. as sales representative in Northern Saskatchewan. John Stephenson '49, Stranraer, has taken up residence for the winter in Saskatoon, where he is employed by the Saskatchewan Assessment Commission. Walter Card '50, has moved to Regina where he is now Superintendent of Intercontinental Packers Ltd., Regina plant. R.O. Sherwin '49, Credit Advisor with VLA at Shaunavon and Allan Shook '49, are planning on coming to Ag. Grad reunion one of these years -- why not make it this year? Ag. Reps. Keith Blackburn '60, Wakaw, and Ted Youck '59, Eastend, are transferring to the Saskatchewan Wheat Pool to operate warehouses at North Battleford and Rosetown respectively. Walter Doyle '51, Lands Branch, will operate the Wheat Pool warehouse at Yorkton or Melfort. Bob Drysdale '62, is now employed at Myers Feedlot, Hughton.

Frank Dunlop, '63, transferred from Sask. Assessment Commission to Federated Co-op Ltd., Feed and Chemicals section. Merv Derksen, '49, is now with the Feed Division of Federated Co-ops. Clayton Peterson '49, has been transferred to Regina. Fred Langley '50, is now on the Ag. Engineering staff, U. of Saskatchewan. Pete Petersen, '52, Ag. Rep., Yorkton, took in a farmers' tour of Europe by air this fall. Doug Grant '49 accompanied the 4-H team to farm club week. Larry White '64, took over the Ag. Rep. District at Watson after B.A. Friesen resigned to go with the Alberta Department of Agriculture. M. W. White '50 resigned as District Superintendent, N.E. Saskatchewan to be Rural Development Officer for ARDA with headquarters in Regina. E. N. Johnson '49, District Superintendent, Swift Current, on an agricultural mission to Ghana in early January. David Goodville '64, is now employed with Saskatchewan Assessment stationed in Saskatoon. Les Paine '55, operates Black and Bond Books, 635 Rosser Avenue, Brandon, and lives at 302 Park Street. Apparently he still wears his "beetle" haircut all over his face.

Several Grads are back at school: Norman Ballagh '64, Abernethy, is now enrolled in the College of Arts; Foster Barnsley, '60, Abernethy, and Garry Vogt '60, Lockwood, College of Arts and Blair Bachman '64, Vidora; Gordon Eststrand '64, Melfort; Ed Bowler '59, Palmer; Jack Monteith '64, Balcarres, in the College of Agriculture. Jim Wright '48, has been appointed Assistant Secretary of the Saskatchewan Wheat Pool. Jim has been with the Country Organization Department for a number of years.

R. F. Mitchell '62 ceased employment with the Manitoba Department of Agriculture as an Ag. Rep. at Starbuck, Manitoba, to take a position with the Pioneer Grain Co. as an Assistant Director of the Agriculture Department, joining other Sask. Grads, namely, Omar Bilokury, Ted Vanebo and Jans Stangland.

Roy D. Crawford '55, will be joining the staff of the College of Agriculture as Assistant Professor of Poultry Science on December 1. He was previously Poultry Geneticist with the CDA., Kentville, Nova Scotia. John Strain, B.A., B.S.A., '15, the first B.S.A. Grad and also first president of agricultural student association will be attending the reunion this year. Robert Kohlert '63, of Yorkton, has been appointed manager of the Pre-Development Farm at Outlook. R.P. Knowles '42, has been appointed Head of Crops Section, Canada Department of Agriculture. Lin Carr '47, and W.L. (Leigh) Crowle '50, have been transferred from Scott Experimental Station to Crops Section, C.A.R.S., Saskatoon. R.J..(Bob) Ledingham who left in August for Australia for eight months on a transfer of work recently wrote: "About Queensland and Queenslanders: The people are very friendly and helpful. The fly situation is atrocious - and no screen anywhere. I've just finished tacking cheesecloth over a large window in our flat. Darkness comes on at 6:45 p.m. even though we are well into summer. The people go to bed early and get up early. The bloke next door wakens me in the morning about 6:00 with his cheery whistling. The Jacaranda and Queensland silky oak trees are just now in full bloom and they are quite striking. They are favoured boulevard trees, planted alternately, and the contrast of purple and orange is quite a sight. Controversial subjects in Toowoomba: 1. Fluoridation of the water, 2. Church union (Methodists, Presbyterians, Congregationalists), 3. Whether to install a piece of modernistic sculpture (price £ 800) in the city hall, 4. Whether to move the war memorial (shades of Saskatoon in past years)".

Frank C. Hitchcock of Souris, Manitoba, writes: "In your October Newsletter the name of Otto W. Betker appears in the list of missing graduates. I am happy to be able to report that Otto is farming in the Souris district and doing reasonably well I feel. I know Otto and his wife, Joyce, quite well as they are members of the church I attend. I also meet them frequently at the curling rink as they are both enthusiastic curlers. Have not been to Saskatoon to celebrate with the Grads for some years but if all goes well, I am going to make a strong effort to attend the "University Farm Week" this coming January. Thanks for the newsletter as I get a kick out of hearing of the activities of those with whom I am acquainted. Best of luck to the Association". C.A. Fawell '43, writes "Farming and teaching in the Unity Composite High School. Subjects which I endeavour to teach are woodwork, motor mechanics and agriculture." Phil Blakely '47 visited Saskatoon Research Station recently and reported he is still at CDA Research Station at Lethbridge and that he and his wife visited his sister in Washington, D.C., this past summer.

MEMBERSHIP - Membership in the S.A.G.A. is still climbing and every new member now sets a new total record. Don Acton, our registrar, tells us that the membership now stands at 100 even. Let's keep this figure climbing. We have lost contact with a number of Grads and are publishing their names in the newsletter in hopes of re-locating them. The first group of names appeared in the last letter and the following names can be added to that list. We urge you to get in touch with our registrar, Don Acton, if you have any information about these grads:

S.A.G.A. BONSPIEL - JANUARY 9 and 10, 1965

Headquarters - The Exhibition Stadium Curling Rink (just inside the main gate).

Entry - Enter early and avoid disappointment.

Eligibility - To be eligible for play in the Bonspiel a rink must consist of three Association members. The fourth player may be a non-member and as such must play the lead position. Fourth year College students and Second year School students are eligible for this Bonspiel.

Skips - Please use the attached form to make your entry. Give complete information if possible. Enter even if your rink is not complete and committee will find curlers for you.

Team Entries are preferable, however, if you want to curl and are unable to make up a rink, send in the entry form giving name, address and the positions you curl. The committee will place you on a rink, if possible.

Veterans Event - This is a new event this year and is restricted to 12 rinks. Eligibility is the same as for the regular 'spiel except for the age requirement. All participants in this event must be 48 or more years old. The first game in this event is scheduled for 12 noon at the Exhibition Stadium Curling Rink. The event will be a straight Knockout competition with one prize to be awarded. If less than six rinks enter, a different type of draw will be played in this event.

First games in the regular 'spiel start at 8.00 o'clock Saturday Morning.

Deadline for Entries - in both the regular and Veterans events is JANUARY 6, 1965.

The Ag. Grad Banquet and Dance to be held at the Bessborough Hotel, Tuesday evening, will present a new feature. A refreshment bar will be available both before and after the banquet. The bar will remain open during the dance.

A Highlight of the 1964 Reunion was Official Re-naming of School of Agriculture Building to Kirk Hall

The School of Agriculture Building is now officially named. At an impressive ceremony at the last Farm Week Harold Moss unveiled a bronze plaque naming Kirk Hall in honor of Dr. L. Kirk. The plaque was presented by the S.A.G.A.

The ceremony was unique in a way inasmuch as Dr. Kirk was present to receive this recognition of his services. Dr. Kirk joined the Field Husbandry Department in 1917. In 1937, he became Dean of the College of Agriculture and served in this post until 1947 when he moved on to FAO in Rome, Italy. Dr. Kirk is the present chairman of the Board of Governors of the University of Saskatchewan.

CONSTITUTION AMENDMENTS - The Constitution Revision Committee consisting of Bob Brack, Chairman, Eiler Humbert and Oral Young '46, presented their report to the last Executive meeting of the S.A.G.A. The report was accepted and it was agreed that the following amendments would be placed before the annual meeting, January 12th. The amendments are as follows by Article Number and Section. Where additions have been made they are underlined. Sections changed or deleted are given in full with the proposed change.

Article 2(a) To promote the social interests of the College and School of Agriculture, University of Saskatchewan.

Article 2(c) Delete - To assist whenever possible in securing positions for graduates of the College.

Proposed revision - To keep graduates informed of recent developments in the various fields of agriculture.

Article 3(a) 1. Graduates of the Saskatchewan College and School of Agriculture, regular or ad eundem, Degree or Diploma, and any persons who have discontinued either the Degree or Diploma course after two years without receiving a degree or diploma, and whose class has since graduated, shall be eligible to become regular members of the Association (Amend. 1942)

Article 3(a) 2. Graduates of Colleges and Schools of Agriculture other than the University of Saskatchewan may be admitted as Associate Members on payment of the regular membership fee per annum. Such members shall be extended the privilege of full membership in the Association, except that of being an officer of the Association.

(Amend. 1948)

Article 3(b) Delete - Regular and Associate members shall enjoy all the rights and privileges of the Association (Amend. 1948)

Article 4(a) It is proposed that offices of Secretary and Treasurer be combined into the single office of Secretary-Treasurer.

(a) The officers of the Association shall be:

1. Honorary President
2. Past President (Amend. 1949)
3. President
4. Vice-President
5. Secretary-Treasurer
6. Registrar
7. News Editor (Amend. 1946)

Article 4(c) 2. It is proposed in this section that the term of office for the representative to Advisory Council be changed from one to three years.

2. The representative to the Advisory Council for the College of Agriculture, such representative to be elected at the annual meeting by the Association and to hold office for three years. (Amend. 1948)

Article 4(f) delete - All Officers shall be eligible for re-election (Amend. 1948)
All officers, except the president, shall be eligible for re-election to the same office.

Article 5(c)(d) delete - These two sections outline the duties of the Secretary and Treasurer. Since it is proposed above to combine these two offices section (c) and (d) are outdated. Proposed revision.

(c) The secretary-treasurer shall keep a record of the business of the Association. He shall give notice of all meetings of the Association, executive, regular or special; shall present a written report to the annual meeting and conduct all correspondence authorized by the Executive. He shall receive and account for all moneys belonging to the Association.

Article 5(e)

Article 6. Care of Funds

The funds of the Association shall be deposited in a chartered bank or other accredited financial institution to the credit of the Association. All payments shall be made in a manner satisfactory to the Auditor; the President or Vice-President and Secretary-Treasurer shall be authorized signing authorities. A financial statement shall be submitted by the Secretary-Treasurer to the annual meeting or to any other meeting if requested by the Executive. The Executive shall appoint an Auditor who shall audit the accounts of the Association at least once a year. The fiscal year of the Association shall be the calendar year, January 1 to December 31 inclusive.

Article 7(b) 2. delete - Members of the 1915-20 classes shall have the opportunity of becoming life members upon payment of \$5.00. (Amend. 1950)

Article 11. Quorum - Four members shall constitute a quorum for the transaction of business at any meeting of the Executive. Ten members of the Association exclusive of the Executive, shall constitute a quorum for the transaction of business at any annual meeting of the Association.

Proposed amendment - that the number of members necessary for a quorum for the transaction of business at any meeting of the executive be raised from four to eight.
