

'66 School Bash at Waskesui

On June 8,9 & 10th, 2018, 22 1966 Diploma classmates and their spouse got together for a weekend party at the beautiful resort town of Waskesui. Hosted by Neil and Lorraine Moyse, they opened with a pizza and beer 'Welcome' reception. First thing Sat. morning Chuck Jacque took 16 golfing on the old Lobstick course, while Lorne McConaghy gave another group a walking tour of the old town site. In the afternoon, pontoon boat drivers Don Avis, and Lorne took two groups on tours around the lake, with Bruce Graae providing knowledgeable commentary of the sights.

Lorraine and her crew put on a scrumptious steak dinner followed by an evening of wild stories and catch-up visiting. Glen and Karen Surridge provided live music for all to dance too, to close out the evening. A Sunday brunch concluded the fun-filled party. All the indoor events took place in the Armstrong/Hillcrest facility. Plans are afoot for a bigger and better bash somewhere in southern Saskatchewan on the June 2 weekend of 2020.

Respectfully Submitted: Lorne McConaghy, Acting Coordinator
