

Hey All!!

We are on the lookout for a couple of Ag Grads to step up and join the SAGA Executive as Members at Large. Preferably from areas of NW, NE and SE Saskatchewan. Your job would be to keep the Exec. abreast of what's occurring in agriculture around your area of the province. And send the SAGA Newsletter any news of fellow grads and their accomplishments. You no longer need to attend the monthly meetings, you can participate simply by using your phone. If interested, please contact: thesaga@saktel.net
